Weekly Report
Benji Euvrard

Last Meeting: 3 March 2009
Next Meeting: 12 March 2009

Goals for this week

Make project proposal presentation
Present project proposal
Research background to HDR images
Research displaying HDR images

Goals Achieved

Project proposal presentation made
Project proposal presented
Researched some background to HDR images
Researched a little displaying of HDR images

Issues and Learning

I found out two interesting ways of displaying HDR in the paper *High Dynamic Range Display Systems*. This will be discussed with the group at the next meeting as it was one of the papers everyone read. One issue from this week has been balancing time with the modules.

Goals for following week

Research on HDR images: more on display
Learn to use Lyx software
Create project website and put it up (if resource is available)
