 - Finding out what paper (transparency) the printer can take
 - Organising a printing balance
- If the above has been achieved, print another set of transparencies

Goals Achieved

- No luck from the technical division for printing in Hamilton yet
- So no prints done

Proposed goals for next week

- Literature Review

Rate your work performance

As can be seen by the fact that two weekly reports have been put into one, the last couple of weeks haven't been that successful. But implementation will be put aside for the next couple of weeks and I will tackle my literature review.

Tasks/Learning

Because I didn't do that much, not much has been learnt. But, I have learnt that when relying on other people, things don't always happen that speedily.
