Goals and Work targets

Goals for this week

- Literature Review

Goals Achieved

- Got the basic outline of the literature review down

Proposed goals for next week

- Literature Review

Rate your work performance

The basics for the literature review are down, but some more reading needs to be done and hopefully complete the first draft of the literature review by next meeting

Tasks/Learning

This past week has taught me that having no lectures is good for two reasons. Firstly, it allows for more project work to be done. And secondly, possibly more importantly, it allows you to rest a bit without feeling drained after lectures, module work and project work.
