Rate your work performance

How did you feel you worked ?
Ups and downs with producitiviy, this week it seemed to have come in quick
bursts
Did you achieve all your goals ? if not why not?
I atchieved most of them, not all though. Probably not all because I always
list a bit more than what I can athieve so that I shouldent have an excuse to
stop working once I'm "done for the week"
What were the issues you had trouble with?
No issues this week
What assistance did you need to continue?
nope
How can you improve your performance?
Delete season 3 & 4 of battle star galactica from my computer
Provide a rating out of 10 in addition to the above.
7

Tasks/Learning

I figured out how longitude and latitude works (well sort of).
Wrote a project proposal for masters.

Research

Read up on botnet detection and visualisation, found an awesome heat map
signiture scatter plot (team cymru)
